STONEBRIDGE UNITED METHODIST CHURCH BRIDGE BUCKS

1

The BRIDGE BUCKS program encourages our children's participation in many activities throughout the church. The children earn BRIDGE BUCKS to use as "money" to purchase fun items from the BRIDGE BUCKS STORE. The store is located in the Preschool/Kindergarten hallway on the first Sunday of the month in between services. Children will not only be motivated to earn their bucks, but will also learn how to save their "money" for larger more expensive items. Each child has the responsibility of taking care of their BRIDGE BUCKS. Parents should help encourage this responsibility in their child, as lost BRIDGE BUCKS will not be replaced. Below is a list of how children can earn BRIDGE BUCKS (BB):

- 1 BB for attending Sunday school and/or Church
- 1 BB for bringing a Bible to Sunday school
- 1 BB for bringing offering to Sunday school
- 2 BB's for bringing a friend to Sunday school and/or Church
- 3 BB's for memorizing the monthly Bible verse

New for the 2011/2012 school year! Children will have the opportunity to share God's love by serving the children at Malvern Elementary. In addition to our regular store items, school supplies will be available at the BRIDGE BUCKS STORE for children to purchase using their BRIDGE BUCKS. School supplies that are purchased at the store will be given to Malvern Elementary throughout the school year. Children will learn that Jesus calls all of us to be in service to others.
